

Intel Corporation
Docket No.: P13735

Remarks

In the Office Action mailed August 16, 2005, the Examiner indicated portions of paragraphs [0032] and [0081] rendered claims 11-17 and 19-20 as non-statutory subject matter under 35 USC 101. The present amendment removes the indicated portions from paragraphs [0032] and [0081]. The present amendment should address the Examiner's concerns under 35 USC 101. Accordingly, Applicant respectfully requests entry of the present amendment and the rejection under 35 USC 101 be withdrawn in order to reduce issues that are in contention and place the application in better condition for appeal.

Should it be determined that an additional fee is due under 37 CFR §§1.16 or 1.17, or any excess fee has been received, please charge that fee or credit the amount of overcharge to deposit account #02-2666. If the Examiner believes that there are any informalities which can be corrected by an Examiner's amendment, a telephone call to the undersigned at (503) 439-8778 is respectfully solicited.

Respectfully submitted,

Gregory D. Caldwell
